Please note: We do not accept reservations that begin or end at 11:00 as this is in the middle of our curriculum time. Please plan your child's hours with us according to our schedule to allow for full educational benefits.

Children attending our program are grouped in age appropriate classes for curriculum and gym classes. To ensure placement in one of our classes, we ask that you call at least 24 hours in advance. We cannot exceed our licensed capacity under any circumstances.

Likewise, we ask that you cancel or modify a reservation no less than 24 hours in advance of the appointment start time, or we will charge for the full reserved time.

This enables us to maintain our "drop-off" flexible program. Your cooperation is appreciated.
